**Diploma in Electrical Engineering**
Hewett Polytechnic, Lucknow
2016 - 2019

## TECHNICAL SKILLS

JavaScript | Node.js | Express.js | Prompt Engineering | React

## SOFT SKILLS

Teamwork | Adaptability | Problem Solving | Time Management

## INTERESTS

- Travelling
- Online Gaming

## CERTIFICATIONS

- Zoom Marathon Challenge

# Dharamveer

## Full Stack Web Developer

## PROFESSIONAL SUMMARY

Passionate full-stack web developer with strong design and problem-solving skills, dedicated to continuous learning and growth. A highly disciplined and motivated individual with proficiency in both front-end and back-end technologies, including HTML, CSS, JavaScript, React, Node.js, Express.js, and MongoDB. Recently completed a generative AI course, gaining expertise in prompt engineering, Flask, Python, and advanced generative AI concepts. Eager to leverage these new skills and experiences in a dynamic, growth-oriented organization to contribute to innovative projects and further advance my career.

## PROJECTS

### 1. V-Link | ⊕ | 🐙
**HTML | CSS | Javascript | NodeJS | ExpressJS | MongoDB | Redis | Socket.io | NodeMailer**

- Built a communication platform using HTML, CSS, and JavaScript with Node.js and Express.js on the backend
- Implemented authorization using Google OAuth for secure user logins
- Developed video and audio chatting features to allow users to connect with others in real-time
- Created room meetings functionality for users to conduct group discussions or conferences
- Designed and developed the admin dashboard for tracking users, plans, and meetings

### 2. ShopUnique | ⊕ | 🐙
**HTML5 | CSS3 | Javascript | NodeJS | ExpressJS | MongoDB Atlas**

- Implemented user registration and authentication system for secure access
- Created product listing and categorization functionality for easy exploration
- Implemented product search and filters for efficient product discovery
- Developed cart management functionality with payment processing integration
- Ensured website responsiveness and optimization for different devices
